

Giving Wall at the Deception Pass Park Amphitheater

The Giving Wall was created to thank those donors who had supported the rebuilding of the Amphitheater in 2016-2018, but it doesn't stop there. More help is needed for continued enhancements including a campfire story area, seat improvements, paving the parking lot, signage and more!

The building of the Amphitheater was a community effort including funding by Deception Pass Park Foundation, countless hours of construction by Park Employees and in-kind gifts by some of our local businesses. The planned improvements will be a community effort as well.

Please join the Deception Pass Park Foundation in continuing to improve the Amphitheater area and add your name to our giving wall. Donations in the following amount will be honored on the wall:

Donation Amount	Size	Material
\$150 +	3x1 inches	Stainless Steel
\$250 +	5x2 inches	Stainless Steel
\$500 +	5x3 inches	Stainless Steel
\$1000 +	6x4 inches	Stainless Steel
\$2500 +	6x4 inches	Cast Bronze
